

WORLD EVANGELISM FUND THANK OFFERING

PLANNING GUIDE

INTRODUCTION

The Church of the Nazarene's annual Thank Offering for the World Evangelism Fund provides the opportunity to celebrate the gifts God has given us, while focusing on giving to others.

We must fix our sights on places where the church is not yet, engaging in intercessory prayer, sacrificial giving, and physically going to and mobilizing others to reach those who have yet to hear the gospel.

This guide is designed to help your church promote the Thank Offering for the World Evangelism Fund, to encourage your congregation to give out of thankfulness and send the message of the gospel into areas where "the church is not yet."

This Planning Guide includes:

- Tips on how to use the available resources to promote the offering
- Suggested timeline for talking about the offering with your congregation
- Customizable scheduling tool for pastors and church leaders

There are many other resources available to you though nazarene.org/generosity, the official website of the 2017 Thank Offering, including:

- Video
- Logo
- Personal stories of gratitude, generosity, and the World Evangelism Fund

TIPS FOR HOW AND WHEN TO USE THE THANK OFFERING RESOURCES

The Thank Offering for the World Evangelism Fund will be received on 19 November 2017 globally, and 8 October 2017 in Canada. However, many regions and districts worldwide choose to have their offerings on other dates. If you are unsure of when your church should receive the Thank Offering, please contact your local district or field office.

By reviewing the available resources early and planning carefully, you can lead your congregation into a time of prayerful remembrance and giving. This offering is not about how much we give; it is about our gratitude to God and our willingness to respond to His blessings.

There are many ways for you to use the available Thank Offering resources. Be creative! You can change your order of service on the day of the offering, distribute invitations to your community or create small group Bible studies for the month of the offering. Every resource can be adapted to fit the unique personality of your congregation.

Here is one potential timeline for promoting the offering in your church:
