Reading about the life and ministry of Jesus, we find key moments that help us to understand profound spiritual truths for our lives. The baptism of Jesus is one of those. The Bible tells us: “Then Jesus came from Galilee to the Jordan to be baptized by John. But John tried to deter him, saying, ‘I need to be baptized by you, and do you come to me?’ Jesus replied, ‘Let it be so now; it is proper for us to do this to fulfill all righteousness.’ Then John consented. As soon as Jesus was baptized, he went up out of the water. At that moment heaven was opened, and he saw the Spirit of God descending like a dove and lighting on him. And a voice from heaven said, ‘This is my Son, whom I love; with him I am well pleased’” (Matthew 3:13-17).

The baptism was the beginning of Jesus’ public ministry. When Jesus ascended to heaven, he told his disciples to continue baptizing believers to the ends of the earth.
Now that you know more about baptism, do you feel like you should be baptized? ______________

Baptism is a very important step for all Christians. It is a public testimony of what God has done in our lives. It should not be taken lightly nor should it be overlooked. It is a sacrament that Jesus instituted for all those who believe in Him.

What does the previous account suggest to you? What does it mean that Jesus, the son of God was baptized? Is it an example for us today? Why?
